

3 Day Wildlife Safaris

Day 1: Tarangire National Park

You will be picked up from your hotel in Arusha or Moshi early in the morning and transferred to Tarangire National Park for game viewing. This majestic park is famous for its predators, baobab trees, high density of elephants, and large variety of birds. In the late evening you will be transferred to a nearby lodge.

Day 2: Ngorongoro Crater

You will leave your accommodation at 6:00 am and head to Ngorongoro Crater for a spectacular game drive. Ngorongoro Crater is one of the Seven Natural Wonders of Africa and is the best place in Tanzania to see the big five. Around noon you will take a break to enjoy your packed lunch at a picnic site near a hippo pool. After lunch you will continue your game drive and in the late afternoon you will be transferred to a lodge.

Day 3: Lake Manyara National Park

After breakfast you will head to Lake Manyara National Park for your final game drive. This park is famous for its elusive tree-climbing lions, incredible bird life, groundwater forest, and beautiful lake. In the afternoon you will take a break to enjoy your packed lunch at a picnic site in the park. After lunch you will be transferred back to Arusha or Moshi and on the way you will have a chance to buy some souvenirs to take home with you.
